Walking the dog
After the fall
For the last time
For the members
To the show
To the theatre
In the old days
In the meantime
In the open
In the box
By the highway
By the time
By the sea
Up the street
Up the mountain
Down the street
Down the road
On the train
See them in
With the band
Wake them
Run them in
Get this done

On the run
In the car
On the air
On the fire
During the day
Come this way
Do that chore
Under the boardwalk
Under the stars
On the island
With the play
With the theatre
With the onion
With the speech
At the circus
Keep that thing
Lock that up
This looks that way
When they go
There they go
There they are
What they do
So they see

Lift that box
Open the door
Put that there
Told that person
Act this part
At the time
Is this the one
Breaking the code
At the restaurant
At the fountain
One that will
Won that prize
Do this well
Watch them
Mail this book
Back them up
Send them back
Send them here
But they want
Until they can
Can't they try?
This they will
Mark this day
